

AeconoLife20

Future in Your Hands

We all need to plan for the future and take good care of our family. AeconoLife 20 provides the perfect choice to help you to shoulder these responsibilities. This plan offers all-in-one life protection and smart savings. You simply pay the premium for 20 years, and then you can enjoy thorough and lifelong coverage for you and your family.

Life Protection with Smart Savings

AeconoLife 20 is a comprehensive insurance plan comprising both life protection and a handsome savings return. It provides you a substantial sum of money for the future.

20-Year Premium for Easy Planning

Premiums remain constant throughout the 20-year payment period, which enables you to better plan your finances.

Dividends Cashed or Rolled Over

You can choose to either take out the dividends or accumulate them to boost the interest you earn.

Emergency Cash through Policy Loan

In case of emergencies, you can take out loans against the current accumulated cash value of your policy to meet your financial needs.

This description is a summary only. For a complete explanation of the terms and conditions, please refer to the policy.
